You, the corresponding author, are required to arrange payment of a processing charge of £785/US\$1,230/€1,000* if your article is accepted for publication. Since you are based in Japan, you will be charged the USD price of US\$1,230. This fee helps to cover the cost of managing peer review, data conversion, and permanent online hosting (see [more information](#) about BioMed Central's processing charges).

If your manuscript is accepted, you will be given the option of paying by credit card or invoice. If you believe that payment for your article is covered by an institutional membership arrangement, please let us know using the form below. In the case of genuine inability to pay, you should request a waiver of the processing charge now, also using the form below.

* Submissions from EU countries are subject to VAT charges. The VAT rate charged will be the rate applicable to your country. Read more [here](#).

Submissions from Japan are subject to JCT (Japanese Consumption Tax). The rate charged is set by the Japanese government. Read more [here](#).

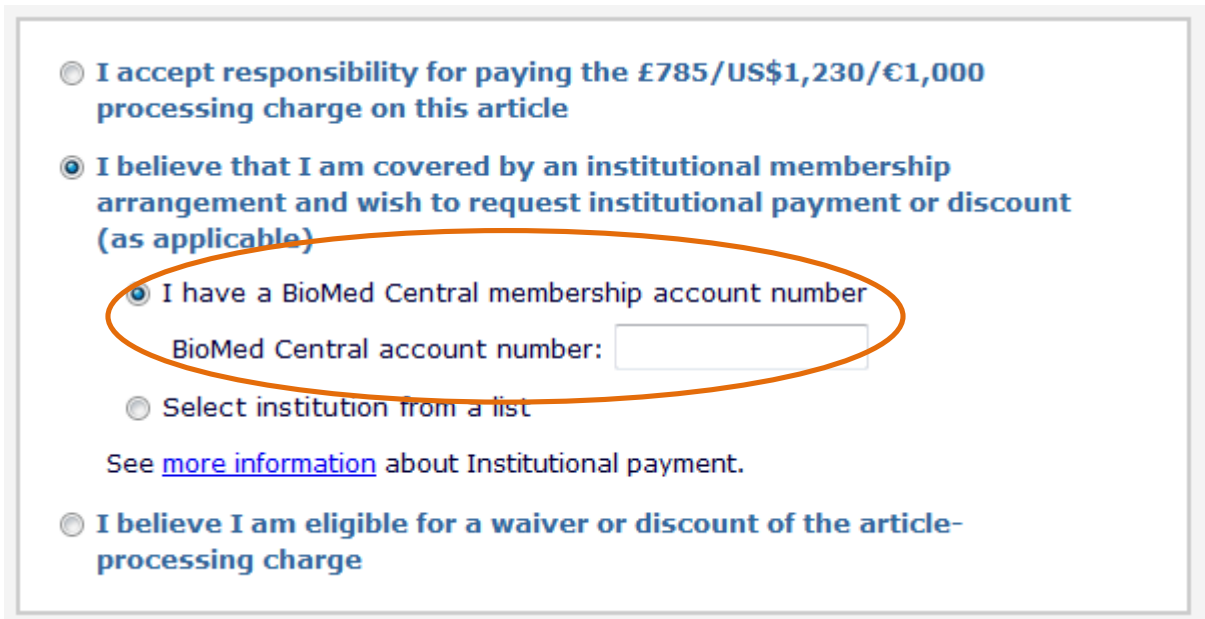

If you choose to pay by a method other than by credit card, there is a surcharge of US\$75.
